

**Shaping tomorrow's workforce:
straddling the boundaries of teacher,
learner, employer, mentor and
professional.**

or

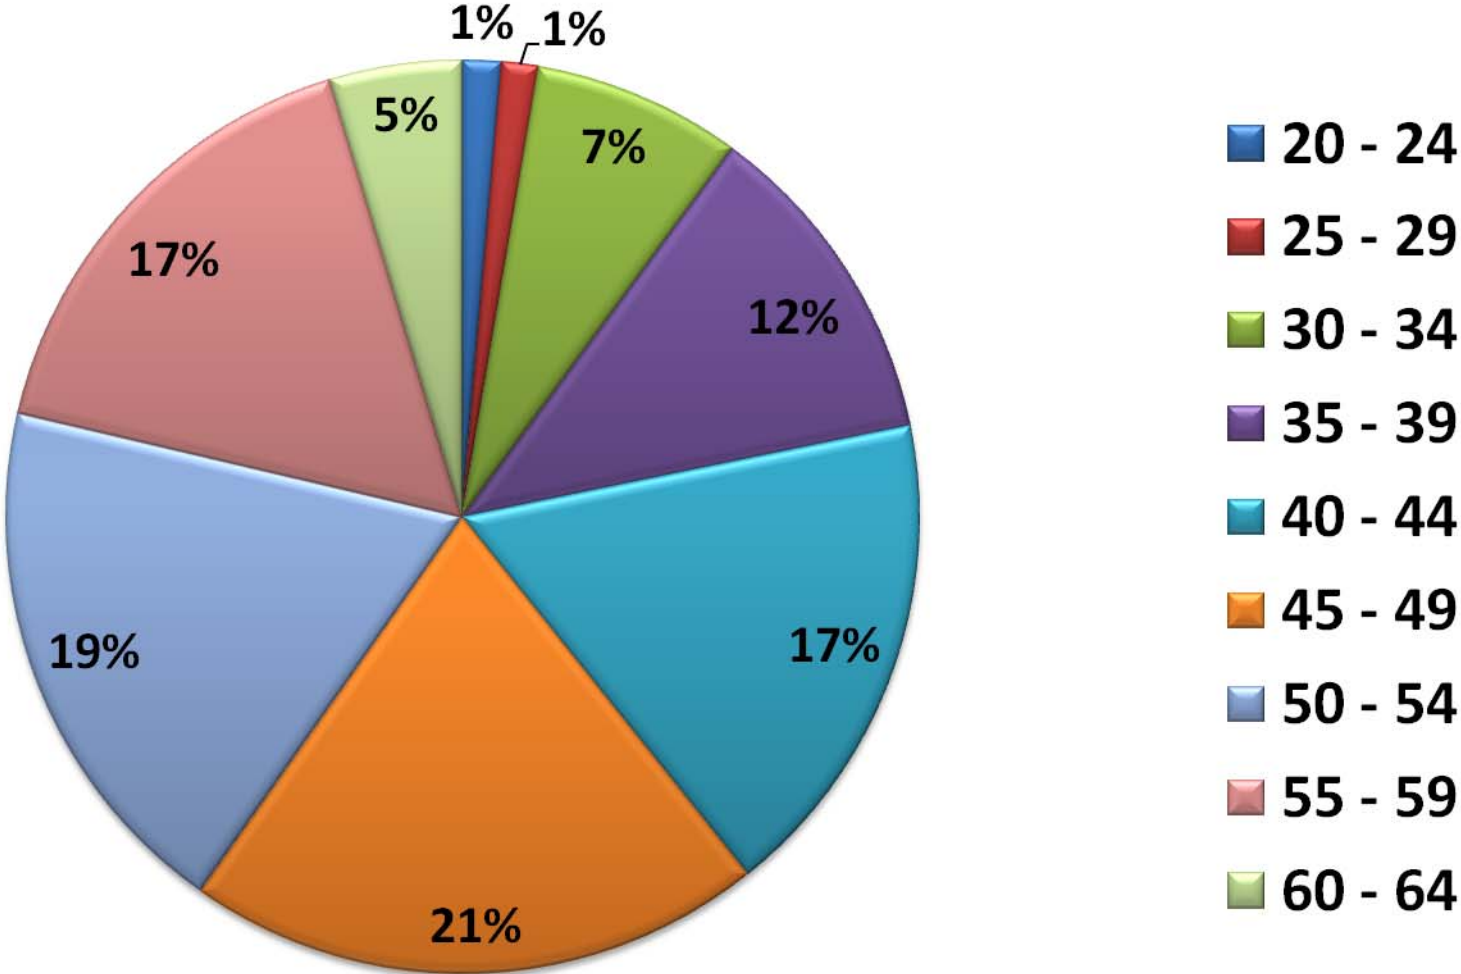

Many hats make complex work

Helen Livingston
Director Library Services
University of South Australia

P: Something loose in cockpit.

**S: Something tightened in
cockpit.**

2006 FTE by Age

P: Left inside main tyre almost needs replacement.

S: Almost replaced left inside main tyre

P: Test flight OK, except auto-land very rough.

S: Auto-land not installed on this aircraft.

Library and Information management

- UniSA Grad Dip & Masters
- 2006-7 moved from School of Communication to School of Computing and Information Science
- Chair jointly funded SLSA SRO FujiXerox and UniSA
- Program renewed

P: Dead bugs on windshield.

S: Live bugs on back-order.

UniSA Library Involvement

- Offered Library as a source of experiential learning
- Passed some comments regarding relevance of some aspects of the “old” program
- SLSA undertook teaching several courses including Managing resources, Preservation and archiving
- Library staff to teach cataloguing

P: DME volume unbelievably loud.

**S: DME volume set to more
believable level.**

The fun begins....

- Organising Resources covers international standards, descriptive cataloguing, metadata, subject analysis and cataloguing, classification, Library systems, and future trends
- 2 other staff “volunteer” to assist
- Course is delivered f2f and online.
- Student cohort reflects closely staff cohort in age , gender and ethnic diversity

P: Number 3 engine missing.

**S: Engine found on right wing
after brief search.**

P: Autopilot in altitude-hold mode produces a 200 feet per minute descent.

S: Cannot reproduce problem on ground.

Success

- High ratings by students in CEQ
- Several students hired by Cataloguing agency (best prepared students they have ever had!)
- Workload for students is high
- cursory look at many issues due to jam packed curriculum
- Continue to improve course material
- 2009 numbers have doubled over 2008
- 125 in Graduate Diploma programs and over 50 in Masters programs

P: Target radar hums.

**S: Reprogrammed target radar
with lyrics.**

ALIA Core Knowledge and Skills

- Knowledge of the broad content of the information environment
- Information seeking
- Information infrastructure
- Information organisation
- Information access
- Information services, sources and products
- Information literacy education
- Generation of knowledge

P: Evidence of leak on right main landing gear

S: Evidence removed.

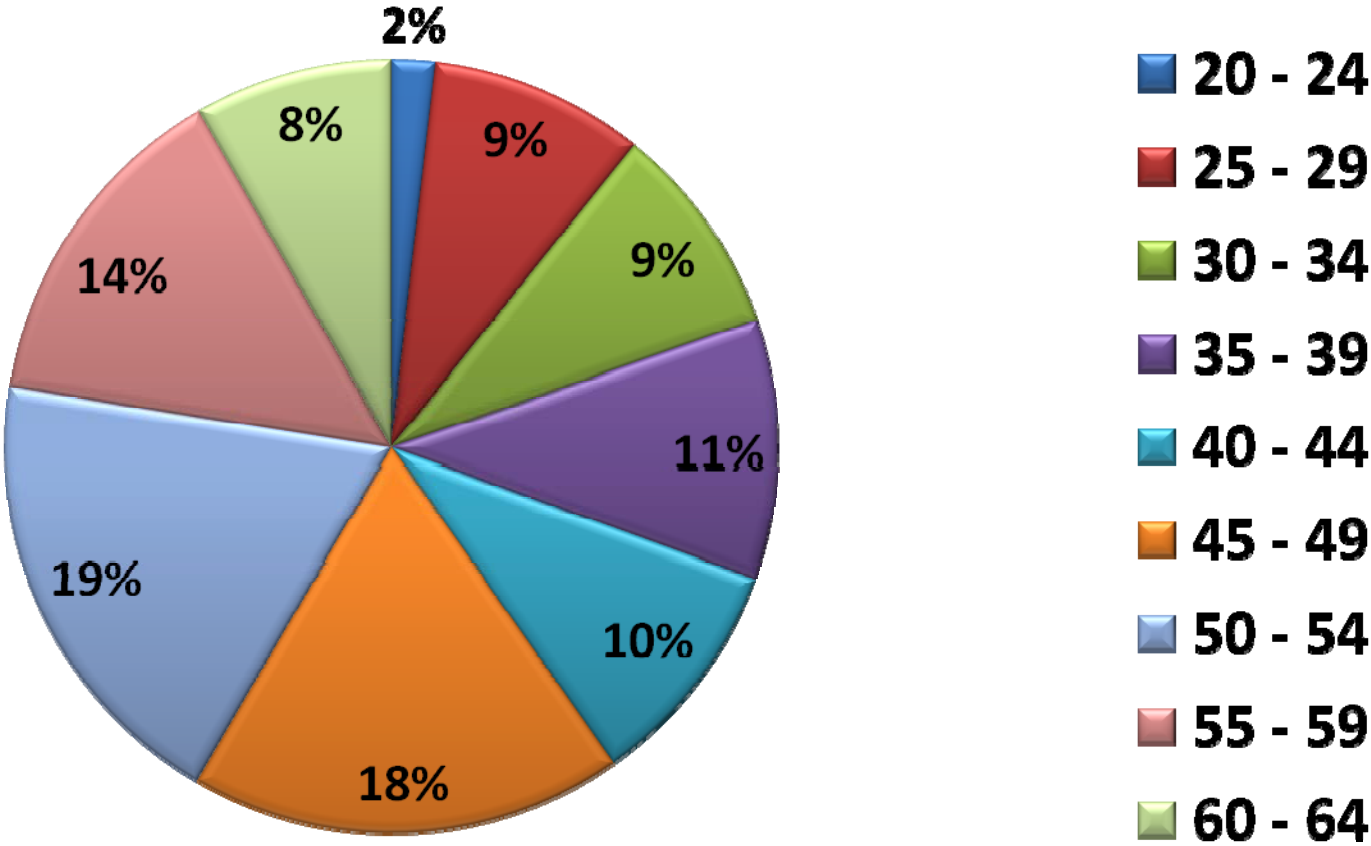

P: Noise coming from under instrument panel. Sounds like a midget pounding on something with a hammer.

S: Took hammer away from midget.

**P: Suspected crack in
windshield.**

S: Suspect you're right.

2009 FTE by Age

P: Aircraft handles funny.

**S: Aircraft warned to straighten up,
fly right, and be serious.**
