### **The Speakers:**

#### ***Emilie Johnson***

Em has been involved with Reference collection projects planned and undertaken at Swinburne Libraries, and will focus on the project at the Hawthorn campus library. She will touch upon the background/history of the project, planning and research phases, the process itself, and issues raised before, during and after the project.

#### ***Annette Sullivan***

Annette is manager of the Carlton Library of RMIT. It caters for the TAFE sector of RMIT. She and the manager of the Swanston Library, Lynn Murdoch, are currently writing the policy to define and guide the development of the Reference Collections across all sites. Annette has worked at RMIT for over 20 years.
