Disaster Response & Recovery Training

- Setting up and leading teams to carry out salvage and recovery of materials after an incident
- Methodology for re-establishment of essential customer services
- Hands-on techniques for rehabilitating damaged books and other materials
- Hands-on introduction to disaster management

The CAVAL Risk Management Group

Formed in 1986, the CAVAL Risk Management Group comprises representatives from CAVAL member libraries and may include additional co-opted members.

The CAVAL Risk Management Group’s area of concern is in raising awareness of the need to plan ahead in order to cope better with a disaster in the library, and providing assistance in recovery from disasters.

The Group’s six main objectives are:

- to create a forum for information exchange
- to establish and maintain disaster response procedures
- to help institutions set up their own management/disaster response plans
- to support disaster management training
- to encourage Libraries to establish management practices taking into account their preservation needs.
- to keep member institutions abreast of current developments.

Forthcoming Workshops

Please contact training@caval.edu.au if you would like to be added to our mailing list, this will ensure you are sent details of future workshops and seminars.
