

## CAVAL Subscription Packages 2009

CAVAL is introducing a new fee and discount structure in 2009 to more fully reflect the benefits and services offered to CAVAL members and customers.

CAVAL offers an annual subscription package to specific CAVAL services such as Training, Cataloguing or Reciprocal Borrowing.

CAVAL Subscription Package	Details	Annual Rate (Incl. GST)
Reciprocal Borrowing	Staff and students are able to borrow material from other subscribing academic libraries. The subscribing library must meet the criteria for participation in the Reciprocal Borrowing Program.	\$522.50 plus annual usage
Training	10 full day registrations plus 5 % discount on additional registrations for CAVAL public programs.	\$5290
Cataloguing and Processing	Volume discount of 5% on cataloguing or processing to the value of \$5,775 including multilingual cataloguing according to CAVAL's price schedules.	\$5,500

If you need to specifically target your library's resources, we recommend the subscription packages as an effective way to access CAVAL's range of professional services.

### Associate Membership

As an alternative, institutions can apply to become Associate Members for an annual fee and receive access to across-the-board discounts of 10% to all CAVAL services. This includes access to CAVAL's Training, Professional Development and Consulting Services, Cataloguing and Processing Services, Digital Services, Storage facilities including access to the Reciprocal Borrowing (RB) Program if your institution meets the RB criteria.
